2021: Year of Appreciation

Kemper Mellady

Birthdate: May 20, 2015

Favorite color: Green, blue & pink.

Family/Friends: Lynelle Mellady, Mommy; Casey Mellady, Daddy; Wiley, Puppy; Braelynn Allen, Friend; Libi Douglas, Friend.

Employment: CEO of Kemper & Co.

School and grade: I will be in Kindergarten at Eastern Elementary School.

What keeps you active? Running and playing outside, driving and riding on my new go-cart, and playing with friends.

Favorite hobby: Playing video games (Minecraft, Amongus & Animal Crossing are my favorites), watching YouTube videos of gamers – my favorite is Brianna and Preston because they go to church and are good at Minecraft.

What do you enjoy most in the world? Mommy, Daddy, and my dog, Wiley. I love having game night with Mommy and Daddy and petting Wiley. I also like unicorns, stuffies (stuffed animals), LOL dolls, Littlest Pet Shops and making crafts with my mom.

How many years have you attended Howard-Miami? My whole life – even when I was in my Mommy's tummy.

Relatives who attend Howard-Miami: Lynelle Mellady, mom; Casey Mellady, dad; Pop & Gogo (Carey & Teresa Miller), grandparents; Gigi (Pauline Rhine), great-grandmother; Elsie (& Don) Horner, great-great aunt; Vernon Schrock, great-great uncle.

What do you like best about the church? I like Sunday School, Winter Bible School and Summer Bible School. I love going outside for Bible lessons and playing on the playground. I can't wait for the new playground!

Spiritual gifts/roles in the church: Attend Sunday School, Winter Bible School, Summer Bible School, I sang for the offertory, and helped Mommy with leading worship.

How did you come to know Jesus? Church and Mommy and Daddy.

Do you have a special talent? I can snap my fingers, and have been able to do it since I was three. I'm really good at naming pets and my stuffies (stuffed animals).

Tell us something we might not already know about you: I have a fish tank. I won a goldfish at a fair and named it Bubbles, but it died. Then I got a fish tank for my birthday. I got three goldfish named Goldie, Silvey and Orangey, but Silvey got stuck against the filter and died. Now I only have two fish in my tank.

I also have more than 500 stuffies (stuffed animals). I love them so much. My favorite ones are Eloise, a cat from my favorite YouTube gamer, Chuckles, a chicken from Minecraft, and the unicorn I got for my birthday.

Anything else you'd like to share? I'm glad the Douglas family is here, and we have new church family members – especially Libi, she's one of my best friends. I also like that my other best friend, Braelynn, gets to come to church with us each Sunday.
